We are always adding additional carriers. Please contact the office directly if your carrier is not noted on the abovementioned.

### ***Insurance Tips***

- Ensure that your Contact Information is current with your insurer
- Always bring your insurance card to the office
- Know if you need a referral to see a specialist
- Know your benefit plan and co-pay amount
- Know if you have both private and Medicaid insurance, you must present the private insurance first. All related co-pays and deductibles will apply as determined by your insurance company.

### ***Self Pay Clients***

We also accept self pay patients. You may contact our business office to obtain prices on the specific psychiatric service which may satisfy your needs. We also offers a sliding scale rate to consumers on a case-by-case basis.
